Promises made they were lost
Somewhere beside you
Waitin' around can leave some
Feelin' like I do

Promises made and we stayed
Dreamin' of leavin'
We will find good days for us
The sun will shine brightly
Live our life if only for just a moment

The goodbyes are gone
But the echoes remain to remind you
Oh, we could belong to the lucky ones
If we just tried to

Promises made where we laid
Our days of believin'
We will find good days for us
The sun will shine brightly
Live our life if only for just a moment

It's okay to cry for a moment
When promises shatter
But don't waste your tears for too long
'Cause soon it won't matter

Promises made they were lost
But don't bother grievin'
We will find good days for us
The sun will shine brightly
Live our life if only for just a moment

We will find good days for us
The sun will shine brightly
Live our life if only for just a moment
