Don't sell your soul for a pack of lies
Don't sell your soul
I met the devil in disguise
with his rainbow wings and a pack of lies
I had my suspicions but they were ignored

Far away the angel cries
How far away the angel sings
Don't sell your soul for a pack of lies
Don't sell your soul

I watched him preach from the book of greed

with promises of glory and how we'll succeed
I had my suspicions but they were ignored

Far away the angel cries
How far away the angel sings
Don't sell your soul for a pack of lies
Don't sell your soul

Far away the angel cries
How far away the angel sings
Don't sell your soul for a pack of lies
Don't sell your soul
