There's a light, a certain kind of light
That never shone on me
I want my life to be lived with you
Lived with you

There's a way everybody say
To do each and every little thing
But what does it bring
If I ain't got you, ain't got?

You don't know what it's like
You don't know what it's like
To love somebody
To love somebody
The way I love you

In my brain I see your face again
I know my frame of mind
You ain't got to be so blind
And I'm blind, so, so, so very blind

I'm a man, can't you see what I am?
I live, I breathe for you
What good does it do
If I ain't got you, ain't got, baby?

You don't know what it's like
You don't know what it's like
To love somebody
To love somebody
The way I love you

To love somebody
To love somebody
The way I love you

You don't know what it's like
You don't know what it's like
The way I love you

You don't know what it's like
You don't know what it's like

The way I love you
