"Falls Apart"

Things fall apart, that's what they do.
And i never thought that our love would stay ever new,
did you?
And there's nothing feel so sad as when your love goes
bad.

Let's not act so cool.
I don't want to be cruel to you.

Don't be afraid, it's not that bad,
Don't be afraid, it's not that sad.

And you broke my heart,
And i broke yours too.
But little crack is where the light comes through.

There's nothing feel so sad as when your love goes
bad.
And it may hurt but time will ease all minds.

Don't be afraid, it's not that bad,
Don't be afraid, it's not that sad.
