In our lives
We make a game out of that which makes a game of us
The game goes dust into dust into dust into dust into
dust
And all we know, and all we love the best
It must someday creep silently to death
And never say goodbye

You're the reason why I'm afraid to die
Ooo-ooooo-oooooo-oh
You're the reason why

You're the reason why I'm afraid to die
Ooo-ooooo-oooooo-oh
You're the reason why

You're the reason why I'm afraid to die
Ooo-ooooo-oooooo-oh
I'm afraid to die, I - oh, oh
And you're the reason why

When I die
You stick flowers in my wounds, grew a garden in my
side
Let's make this smile, we're laughing all the while until
the end
And all we know, and all we love the best
It must someday creep silently to death
And never say goodbye

You're the reason why I'm afraid to die
Ooo-ooooo-oooooo-oh
You're the reason why

You're the reason why I'm afraid to die
Ooo-ooooo-oooooo-oh
You're the reason why

You're the reason why I'm afraid to die
Ooo-ooooo-oooooo-oh
I'm afraid to die, I - oh, oh, oh, oh,

And you're the reason why

You're the reason why I'm afraid to die,
Oh oh oh oh, and you're the reason why.
And you're the reason why I'm afraid to die,
Oooh oh oh oh, I'm afraid to die, oh oh oh oh,
And you're the reason why.

You're the reason why I'm afraid to die
Ooo-ooooo-oooooo-oh
And you're the reason why.
