There's a hole in the world tonight  
There's a cloud of fear and sorrow  
There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow.

They say that anger is just love disappointed.  
They say that love is just a state of mind.  
But all this fighting over who will be anointed  
Oh how can people be so blind?

There's a hole in the world tonight  
There's a cloud of fear and sorrow  
There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow.

Oh they tell me there's a place over yonder,  
Cool water running through the burning sand.  
Until we learn to love one another  
We will never reach the promised land.

There's a hole in the world tonight  
There's a cloud of fear and sorrow  
There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow.

(There's a hole in the world tonight)  
They say that anger is just love disappointed.  
(There's a cloud of fear and sorrow)  
They say that love is just a state of mind.  
(There's a hole in the world tonight)  
But all this fighting over who will be anointed  
(Don't let there be a hole in the world tomorrow)  
Oh how can people be so blind
