James Dean, James Dean  
I know just what you mean  
James Dean, you said it all so clean  
And I know my life would look allright  
If I could see it on the silver screen

You were the lowdown rebel if there ever was  
Even if you had no cause  
James Dean, you said it all so clean  
And I know my life would look all right  
If I could see it on the silver screen

We'll talk about a low-down bad refrigerator,  
You were just too cool for school  
Sock hop, soda pop, basketball and auto shop,  
The only thing that got you off was breakin' all the rules

James Dean, James Dean  
So hungry and so lean  
James Dean, you said it all so clean  
And I know my life would look all right  
If I could see it on the silver screen

Little James Dean, up on the screen  
Wond'rin' who he might be  
Along came a Spyder and picked up a rider  
And took him down the road to eternity

James Dean, James Dean, you bought it sight unseen

You were too fast to live, too young to die, bye-bye  
You were to fast to live, too young to die, bye-bye  
Bye-bye, Bye-bye, Bye-bye, Bye, bye
