I like the way your sparkling earrings lay, against your  
skin, it's so brown  
and I wanna sleep with you in the desert tonight with a  
billion stars all around

'cause I gotta peaceful easy feeling  
and I know you won't let me down  
'cause I'm already standing on the ground

And I found out a long time ago what a woman can do  
to your soul  
Ah, but she can't take you anyway You don't already  
know how to go

and I gotta peaceful, easy feeling  
and I know you won't let me down  
'cause I'm already standing on the ground

Intro

I get this feeling I may know you as a lover and a friend  
but this voice keeps whispering in my other ear, tells  
me I may never see you again

'cause I get a peaceful, easy feeling  
and I know you won't let me down  
'cause I'm already standing ...  
I'm already standing...  
Yes, I'm already standing...  
I'm already standing... - on the ground
