Bells will be ringing this sad sad news
Oh what a Christmas to have the blues
My baby's gone I have no friends
To wish me greetings once again

Choirs will be singing "Silent Night"
Christmas carols by candlelight
Please come home for Christmas
Please come home for Christmas

If not for Christmas by New Years night
Friends and relations send salutations
Sure as the stars shine above

But this is Christmas yes Christmas my dear

The time of year to be with the ones you love
So won't you tell me you'll never more roam
Christmas and new Years will find you home
There'll be no more sorrow no grief and pain

And I'll be happy, happy once again
Oh there'll be no more sorrow, no grief and pain
And I'll be happy, Christmas once again
