Used to be so easy to give my heart away  
But I found out the hard way  
There's a price you have to pay  
I found out that love was no friend of mine  
I should have known time after time

So long, it was so long ago  
But I've still got the blues for you

Used to be so easy to fall in love again  
But I found out the hard way  
It's a road that leads to pain  
I found that love was more than just a game  
You're playin' to win  
But you lose just the same

So long, it was so long ago  
But I've still got the blues for you

So many years since I've seen your face  
Here in my heart, there's an empty space  
Where you used to be

So long, it was so long ago  
But I've still got the blues for you

Though the days come and go  
There is one thing I know  
I've still got the blues for you
