It wasn't really sad the way they said good-bye  
Or maybe it just hurt so bad she couldn't cry  
He packed his things, walked out the door and drove  
away  
And she became the girl from yesterday

He took a plane across the sea  
To some foreign land  
She stayed at home and tried so hard to understand  
How someone who had been so close could be so far  
away  
And she became the girl from yesterday

She doesn't know what's right  
She doesn't know what's wrong

She only knows the pain that comes from waiting for so  
long  
And she doesn't count the teardrops  
That she's cried while he's away  
Because she knows deep in her heart  
That he'll be back someday

The light's on in the window; she's waiting by the phone  
Talking to a memory that's never coming home  
She dreams of his returning and the things that he  
might say  
But she'll always be the girl from yesterday  
Yeh, she'll always be the girl from yesterday
