U don't know o  
U don't know o  
If your ass is fat,  
I can't help the way that i react,  
And that's that,  
If your ass if fat,  
Baby there aint no need for you lookin back,  
I'm staring that,  
If your ass if fat,  
I can't help the way that i react,  
Catch a heart attack,  
If your ass if fat,  
That's what i'm lookin for  
I'm standing here, lookin out the window,  
Blowwin smoke, what did i see,  
I saw a fat ass, walking up the block staring back at me,  
Going crazy, so i hit the streets,  
Like a pimp bo tryna get that meat, i don't give a fuck,  
I'll bring the heat, cuz i don't want any and there's or  
buts,  
Just in ur butt  
If your ass is fat,  
I can't help the way that i react,  
And that's that,  
If your ass if fat,  
Baby there aint no need for you lookin back,  
I'm staring that,  
If your ass if fat,  
I can't help the way that i react,  
Catch a heart attack,  
If your ass if fat,  
That's what i'm lookin for  
Girl u beter get that bubble bouncin,  
Cmon, get that money wen i yell sound off,  
Everybody up in the spot go, wen i got a pen in ur  
mouth,  
Treat these bitches like gators cuz i'm wearin em out,  
Cumin cumin over ur ass to bust a load in ur mouth,  
I got u chokin while i'm token and i'm smokin an ounce,  
Go party with some poopy bitches, bottys lookin  
bottylicious,

Wut up with ur chunk, and ur chunkin lookin truely  
vicious,  
U don't know what i'm thinkin, u don't know wat ur  
drinkin,  
Life is fast, forget the past,  
Cuz i wont loose that fat fabulous piece of ass,  
U don't know what i'm thinkin, u don't know wat ur  
drinkin,  
Life is fast, forget the past,  
Cuz i wont loose that fat fabulous piece of ass  
If your ass is fat,  
I can't help the way that i react,  
And that's that,  
If your ass if fat,  
Baby there aint no need for you lookin back,  
I'm staring that,  
If your ass if fat,  
I can't help the way that i react,  
Catch a heart attack,  
If your ass if fat,  
That's what i'm lookin for  
I need a dick to minikin, no for blackanors,  
Booty good cham for you to tag on,  
So mind me being a dominoe,  
Wen it comes to ass the kids a basket case,  
A walkin and talkin, sexual harrasment case,  
I'm gettin more raz than toilet paper in the ladies room,  
Research shows i'm the reason the lastest baby boom,  
Maybe you shud call me the dad beat daddio,  
All i do is smoke weed, get head and beat fatties  
If your ass is fat,  
I can't help the way that i react,  
And that's that,  
If your ass if fat,  
Baby there aint no need for you lookin back,  
I'm staring that,  
If your ass if fat,  
I can't help the way that i react,  
Catch a heart attack,  
If your ass if fat,  
That's what i'm lookin for
