I got the first flight out when I finished up the tour,
because I missed you.
I even flew home a day too soon all because I couldn't
wait to kiss you.
Oh how she will be loved, was the one thing stuck in my
mind, and how tonight would be remembered for the
rest of your life!

Cho:

I never thought that I'd do something like that, when I
saw you two it hit me like a heart attack, Oh No! How
could you let somebody in through our door?, How
could you bring him home?
I never thought I'd loose my temper like that, Now it's
some fucked up situation, he ain't coming back! Oh No!
How could you please another man on our floor?
How could you bring him home?

I know you know I missed on other girls because I
thought I really loved you, and you know that I never
put anyone or anything above you, because I loved
you, and it was that love that made me loose my head
and now it's too late!
One day too soon, you'll regret it for the rest of your
days!

Cho:

I never thought that I'd do something like that, when I
saw you two it hit me like a heart attack, How could you
let somebody in through our door?, How could you
bring him home?,
I never thought I'd loose my temper like that, Now it's
some fucked up situation, he ain't coming back! Oh No!
How could you please another man on our floor?
How could you bring him home?

Yeah, yeah, yeah,
Oh, oh, oh,
Yeah, yeah, yeah,

Oh, oh, oh,
Yeah, yeah, yeah,
Oh, oh, oh,
Yeah, yeah, yeah,
Oh, oh, oh,

Please God forgive, for what I did, this day will stay for
as long as I live,
'cause if you walked in and seen what I seen I know any
man would have done just the same. Please God
forgive, No! for what I did, No! This day will stay for as
long as I live,
'cause if you walked, No! In and seen what I seen, No! I
know any man would have done just the same
because...
