Can't afford no cheap thrills
Can't afford no cheap thrills
Can't afford no cheap thrills
Can't afford no cheap thrills

Whatcha doin'? I'm spendin' time
Whatcha doin'? Got my last dime
Catch a fast babe, I'm gonna try
Catch a fast babe, I'm gonna try

I see red, when my back's against the wall
I see red, like the ocean when it's standing at the end
Of what you're looking for
I see red and that's all

Whatcha doin'? I'm spendin' time
Whatcha doin'? Got my last dime
Catch a fast babe, I'm on the sly
Catch a fast babe, I'm gonna try

Can't afford no cheap thrills
Can't afford no cheap thrills
Can't afford no cheap thrills
Can't afford no cheap thrills

Can't afford no
Can't afford no cheap thrills
Can't afford no
Can't afford no cheap thrills
