Shoot to kill , aim to please
What goods a heart if it ain't on your sleeve
If nobody knows ,
If nobody sees
I tell them all that its make believe

Once your hearts broken, that will do
I only want some pieces of you
Once your hearts broken, that will do
I only want some pieces of you
Make believe
Just make believe

Once your hearts broken, that will do
I only want some pieces of you
Once your hearts broken, that will do
I only want some pieces of you

Fallin in Love is a losin game
Its fun to play, but it ends the same
If nobody knows,
If nobody sees
You tell them all that its make believe
Make believe
Just make believe
