[Verse 1:]

I got the 1st flight out when I finished off the tour  
Because I missed you  
I even flew home a day too soon all  
Because I couldn't wait to kiss you

Oh, how she will be alone  
Was the one thing stuck in my mind  
And how tonight would be  
Remembered for the rest of your life

[Chorus:]

I never thought that I'd do something like that  
When I saw you two, it hit me like a heart attack  
(oh no)  
How could you let somebody into (our door)  
How could you bring him home

I never thought I'd lose my temper like that  
Now it's a fucked up situation, he ain't coming back  
(oh no)  
How could you please another man (on our floor)  
How could you bring him home

[Verse 2:]

I know you know I passed on every girl  
Because I thought I really love you  
And you know that I never put anyone or anything  
above you  
Because I loved you

And it was that love (it was that love)  
That made me lose my head, and now it was too late  
One day, too soon  
You'll regret it for the rest of your day

[Chorus:]

Hay ya yaaaaaay  
Hoo ow owwoo  
Hay ya yaaaaaay

Hoo ow owwwwoo

Please god forgive, before what I did  
This thing will stay, for as long as I live  
Because if you walk in, and see what I see  
I know any man, would've done just the same

Please god forgive (no), before what I did (no)  
This thing will stay, for as long as I live  
Because if you walk in (no), and see what I see (no)  
I know any man, would've done just the same  
Because I?

[Chorus: x2]

[Repeated/fade]  
Hay ya yaaaaaay  
Hoo ow owwwwoo  
Hay ya yaaaaaay  
Hoo ow owwwwoo
