Dog's on the loose tryin' to call my name  
You let the tongue of the monkey, gonna lick your brain  
Move it to the left, shake it to the right  
Make some room for your daddy  
'Cause we gonna make a landing tonight

Scratch like a cat and bark like a bitch  
To let me know that you're mine, you're mine, you're  
mine  
Scratch like a cat and bark like a bitch

Well, I don't care what the people say  
They don't know what they missin'  
Off with your head, off with the light  
Give peace to man and a light and I guess it's  
goodnight

Scratch like a cat and bark like a bitch  
Then I guess it's goodnight  
Scratch like a cat and bark like a bitch
