You know, I try so hard but I think you don't see
Because I'm moving so fast, we call it rock 'n' rollin'
My weapon seems useless 'cause you're on to me
You are impossible to read, you're always straight
controllin'

Oh, oh, oh Miss Alissa
Oh, oh, oh Miss Alissa
Oh, oh, oh Miss Alissa
Gonna do a voodoo dance until you feel my power now

You know I feel so smooth, I'm always struttin' when in
motion
Make the little girls dance 'cause I'm rock 'n' rollin'
It really doesn't matter that you're hard to please
'Cause when you give me your smile, I'm yours for
straight controllin'

Oh, oh, oh Miss Alissa
Oh, oh, oh Miss Alissa
Oh, oh, oh Miss Alissa
Gonna do a voodoo dance until you feel my power now

You know, I try so hard but I think you don't see
Because I'm moving so fast, we call it rock 'n' rollin'
My weapon seems useless 'cause you're on to me
You are impossible to read, you're always straight
controllin'

Oh, oh, oh Miss Alissa
Oh, oh, oh Miss Alissa
Oh, oh, oh Miss Alissa
Gonna do a voodoo dance until you feel my power now

Oh, oh, oh Miss Alissa
Oh, oh, oh Miss Alissa
Oh, oh, oh Miss Alissa
Gonna do a voodoo dance until you feel my power now
You gonna feel my power
