For so long, the king was alone  
King Baby Duck sat alone on his throne (Oh no...)  
Everyday went and aloned he remained  
Then came the Queen Bee and everything changed  
You can't have some rock, lest you got some roll  
Now the two are complete and they rule the whole show  
(whooooole)  
(shh... here they come)

[chorus]

Hail the King and Queen  
Queen Bee and Baby Duck  
Hail the King and Queen  
Queen Bee and Baby Duck  
Hail the King and Queen  
Queen Bee and Baby Duck  
Stop!

The King and Queen, they couldn't take no chance  
Baby Duck and Queen Bee have to make us dance  
And with a wave of their hand and by a royal decree  
Baby Duck and Queen Bee will make us see...OoOh

(Here they come, it's the King and Queen)  
(You there, come here, I want to sing for you)

Hail the King and Queen  
Queen Bee and Baby Duck  
Hail the King and Queen  
Queen Bee and Baby Duck  
Hail the King and Queen  
Queen Bee and Baby Duck  
Hail  
Stop!
