whoaa ooo no no no

im guna do a little seciton called  
"bitches that cant stick to 1 dick"  
you know what im sayin?

oh oh uh huh yeah  
oh oh uh huh yeah

words are hard to say even though im always  
positions always... no everything is ruined  
you cheated even gave him head  
what the fuck it that?!  
did he hit you fromt he front?  
and did he hit you from the back?  
take the blame dont feel ashamed  
if you would just abid  
i guess when its your mistake rules dont apply  
yea i understand we all fuck up now and then  
and hurt the ones that we would never mean to offend  
i mean im done and overboard  
to come that close and lose what you have previously  
adored  
we couldnt work it out so we slammed the fuckin door  
hurt and then hurt some memories are hard to ignore  
im lyin i aint no angel walkin right accross your face  
but this hurt but you can never finda single fuckin place  
but love and hate cannot come and go oh so quick  
i bet you dont stick so close to this dick  
behind that pretty face theres a girl leadin the way  
in a "get a dick" race yo she set the pace  
its all bullshit, should i waste my spit?  
that need dick are easy and thick
