whoaaa ooohh no no no

yea absolute remix.. fuck it
I'm a do a little section called "bitches that cant stick to
one dick"
you know what I'm saying?
words are hard to say even though imp always ruined
positions were congruent now everything is ruined
you cheated even gave him head, what the fuck is
that?!
did he hit you front he front? and did he hit you from
the back?
take the blame don't feel ashamed if you would just
abide
i guess when its your mistake rules don't apply
yea i understand we all fuck up now and then
and hurt the ones that we would never mean to offend
i mean I'm done and overboard and seen it all before
to come that close and lose what you have previously
adored
but we couldn't work it out so we slammed the fucking
door
hurt and then hurt some memories and hard to ignore
I'm lyin I'm no angel walking right across your face
all this hurt by you will never find a single fuckin place
but love and hate cannot come & go oh so quick
i bet you don't stick so close to this dick
behind that pretty face there's a girl leadin the way
in a "get a dick" race yo she set the pace
its all bullshit why should i waste my spit?
about chicks that need dick and are easy to thick yea

fuck what I said it don't mean shit now
fuck the presents might as well throw them out
fuck all those kisses they didn't mean jack
fuck you you ho I don't want you back

fuck what I said it don't mean shit now
fuck the presents might as well throw them out
fuck all those kisses they didn't mean jack
fuck you you ho I don't want you, don't want you back

whoaaa ooohh no no no
oh oh uh huh yeah
oh oh uh huh yeah

yea this is my side what i need you to do is just sit back
and listen
check it out...

now i don't even know the guy singing all the chorus
all i know is that he sums up a lot of shit for us
don't like what you hear go ahead and change the
track
cant face the music because the guilt has got you
trapped
i been there, and done that, and trippin on where the
fun at
made some stupid choices i was blinded by my pride
got a shit so twisted could have fuckin died
could have fucking cried seeing how she was affected
yea she gave me trust but i chose to neglect it
i thought if i did it would keep me protected
so immature and insecure i looked right through her
and it kills me to think i did that shit to her
i didn't know how to deal i didn't know how to heal
i didn't know what i felt was really.. real
what am i tryin to say, with this shit i'm spittin?
I'm saying i wish these weren't the words i had to have
written
I'm living in it, I'm showin it, i learned from my past
i swear on everything i own this will be the last..
the time i have to feel like shit, knowing that i cheated
hearing the same thing as the chorus, ill let him repeat
it

fuck what I said it don't mean shit now
fuck the presents might as well throw them out
fuck all those kisses they didn't mean jack
fuck you you ho I don't want you back

fuck what I said it don't mean shit now
fuck the presents might as well throw them out
fuck all those kisses they didn't mean jack
fuck you you ho I don't want you, don't want you back

oh oh aww aww yeah
oh oh aww aww yeah
oh oh aww aww yeah
oh oh aww aww yeah
oh oh aww aww yeah don't mean shit now
oh oh aww aww yeah throw them out
oh oh aww aww yeah didn't mean jack

oh oh aww aww yeah don't want you back
