[Verse 1:]

I got the 1st flight out when I finished up the tour
Because I missed you
I even flew home a day too soon
All because I couldn't wait to kiss you

Oh, how she will be loved
Was the one thing stuck in my mind
And how tonight would be
Remembered for the rest of your life

[Chorus:]

I never thought that I'd do something like that
When I saw you two, it hit me like a heart attack
(oh no)
How could you let somebody in through (our door)
How could you bring him home

I never thought I'd lose my temper like that
Now it's some fucked up situation, he ain't comin
back
(oh no)
How could you please another man (on our floor)
How could you bring him home

[Verse 2:]

I know you know I passed on every girl
Because I thought I really loved you
And you know that I never put anyone or anything
above you
Because I loved you
And there was that love that made me lose my head
and now its too late!
One day too soon, you'll regret it for the rest of your
day!

[Chorus:]

I never thought that I'd do something like that
When I saw you two, it hit me like a heart attack
(oh no)
How could you let somebody in through (our door)
How could you bring him home

I never thought Iâ€™d loose my temper like that
Now it's some fucked up situation, he ainâ€™t comin
back
(oh no)
How could you please another man (on our floor)
How could you bring him home
hay ya yaaaaaay
hoo ow owwwwoo
hay ya yaaaaaay
hoo ow owwwwoo

Please god forgive, for what I did
This thing will stay, for as long as I live
Because if you walk in, and see what I see
I know any man, wouldâ€™ve done just the same

Please god forgive (no), before what I did (no)
This thing will stay, for as long as I live
Because if you walk in (no), and see what I see (no)
I know any man, wouldâ€™ve done just the same
Because Iâ€™...

[Chorus:]

I never thought that Iâ€™d do something like that
When I saw you two, it hit me like a heart attack
(oh no)
How could you let somebody in through (our door)
How could you bring him home

I never thought Iâ€™d loose my temper like that
Now it's some fucked up situation, he ainâ€™t comin
back
(oh no)
How could you please another man (on our floor)
How could you bring him home

[Chorus:]

I never thought that Iâ€™d do something like that
When I saw you two, it hit me like a heart attack
(oh no)
How could you let somebody in through (our door)
How could you bring him home

I never thought Iâ€™d loose my temper like that
Now it's some fucked up situation, he ainâ€™t comin
back
(oh no)
How could you please another man (on our floor)
How could you bring him home
