Yeah...

Girl i thank ya for this wonderful night
Wishing i could see ya one more time
But i don't think ya will love me
So i thank you
If you wanna still fool around
You can come to the next town
But until then i gotta go
So i thank you

I love them --'-, love them --'-, love them --'-

I love them --'-, love them --'-, love them --'-

I love them --'-, love them --'-, love them --'-

I love them --'-, love them --'-, love them --'-

Looking sad, even though we just met
No need to get upset
But i got a show, gotta go, so i thank you
And if you wanna still get ----- down
You can catch the next greyhound
But until then i gotta go, so i thank you

I love them --'-, love them --'-, love them --'-

Oh, lettin' you know that i love them --'-

I love them --'-, love them --'-, love them --'-

Oh, lettin' you know that i love them --'-

I love them --'-, love them --'-, love them --'-

Oh, lettin' you know that i love them --'-

I love them --'-, love them --'-, love them --'-

Oh, lettin' you know that i love them --'-

Girl i thank ya for this wonderful night
Wishing i could see ya one more time
But i don't think ya will love me
So i thank you

If you wanna still fool around
You can come to the next town
But until then i gotta go
