First I saw your gorgeous eyes  
Then noticed your ass was fly  
I just thought we could have fun  
I could show you affection

I want you so bad girl  
I want you, I need you  
So bad  
I want you so bad girl  
I want you, I need you?

I will make your life complete  
Just sit back and have a seat  
Let my lips just touch your lips  
Then I'll move down to your hips

I want you so bad girl  
I want you, I need you  
So bad  
I want you so bad girl  
I want you, I need you  
So bad

Check it out girl, don't waste time  
Check it out girl, your too damn fine  
Check it out girl, just let go  
Check it out girl, let it flow

I can show you who the man  
Let me show you with my hands  
I just want you close to me  
I'll get you wet, just wait and see

I want you so bad girl  
I want you, I need you  
So bad  
I want you so bad girl  
I want you, I need you  
So bad (repeat)

Touchin? and kissin? and lickin? you right, never letting

go  
Touchin? and kissin? and lickin? you right, never letting  
go

Check it out girl, don?t waste time  
Check it out girl, your too damn fine  
Check it out girl, just let go  
Check it out girl, let it flow

I want you so bad girl  
I want you, I need you  
So bad  
I want you so bad girl  
I want you, I need you  
So bad?
