First I saw your gorgeous eyes  
Then noticed your ass was fly  
I just thought we could have fun  
I could show you affection

I want you so bad girl  
I want you, I need you, so bad  
I want you so bad girl  
I want you, I need you

I will make your life complete  
Just sit back and have a seat  
Let my lips just touch your lips  
Then I'll move down to your hips

I want you so bad girl  
I want you, I need you, so bad  
I want you so bad girl  
I want you, I need you, so bad

Check it out girl  
Don't waste time  
Check it out girl  
You too damn fine  
Check it out girl  
Just let go  
Check it out girl  
Let it flow

I can show you who's the man  
Let me show you with my hands  
I just want you close to me  
I'll get you wet, just wait and see

I want you so bad girl  
I want you, I need you, so bad  
I want you so bad girl  
I want you, I need you, so bad

I want you so bad girl  
I want you, I need you, so bad  
I want you so bad girl

I want you, I need you, so bad

Touchin' and kissin' and lickin' you right  
Never letting go  
Touchin' and kissin' and lickin' you right  
Never letting go

Check it out girl  
Don't waste time  
Check it out girl  
You too damn fine  
Check it out girl  
Just let go  
Check it out girl

I want you so bad girl  
I want you, I need you, so bad  
I want you so bad girl  
I want you, I need you, so bad

I want you so bad girl  
I want you, I need you, so bad
