Yeah, it's like 2:30 in the mornin', just left the club  
About to go to the after hour, after hour spot, ya gotta  
dig that  
Over there, over there, ya know how we do it  
Get my Lo Rida, hit some switches, yeah, yeah  
Any highway from here to you, ya know what I mean?  
We gonna ride Eamon, let's ride  
Eamon, yeah, ya know what I'm sayin, let's ride, Lo  
Rida, come on

I take routes to ease my life and  
There's no doubt I test my life, still I, I step back, step  
back  
And let the feelin' take control, may be hard, may be  
soft  
And what ya had might be lost  
But I got to, got to not care what I'm goin through

The lovin' and the huggin'  
The way I just can't stop buggin'  
The feedin' and the schemin'  
The way I get when I'm weaken

Lo Rida, can't get higher, all I gotta do now is calm that  
fire  
Love makin', shit that I'm takin', can't get enough of it  
Lo Rida, can't get higher, all I gotta do now is calm that  
fire  
Love makin', shit that I'm takin', can't get enough of it

Yo, it's been sent to find my cost and you might think  
it's my loss  
But I'm rollin', rollin', to the illest place I know  
Eyes are wide, inside's hot and, nasty thoughts just  
won't stop  
And I'm lovin', lovin', everythin' that ya do to me

The lovin' and the huggin'  
The way I just can't stop buggin'  
The feedin' and the schemin'  
The way I get when I'm weaken

Lo Rida, can't get higher, all I gotta do now is calm that  
fire  
Love makin', shit that I'm takin', can't get enough of it  
Lo Rida, can't get higher, all I gotta do now is calm that  
fire  
Love makin', shit that I'm takin', can't get enough of it

Ya see I never had a chick like this, we'd argue, she'd  
break out  
Come back like this, she said she never had a pimp like  
this  
And never seen a camouflage make like this  
Suckin' that Lo Rida, we on that Cali side  
I'm the insider, we buffin' takin' the valley ride

I'm a provider and stay high up from tiger shots  
We played wrestle before, Nelsons and body shots  
Oh, excited like we're, until we're "Gatti bots"  
Look at her booty, man, got me on body watch

She got a leather trench on now, with nothin' under it  
Just like when she on top and I'm under it  
So I run with it, gotta have fun a bit, what?  
Ain't nothin' like a hoe side, lo ride, new kicks, new  
whip  
Sit safe, 05, nice eyes, thick thighs, boy, she make my  
skin rise

Lo Rida, can't get higher, all I gotta do now is calm that  
fire  
Love makin', shit that I'm takin', can't get enough of it  
Lo Rida, can't get higher, all I gotta do now is calm that  
fire  
Love makin', shit that I'm takin', can't get enough of it

Lo Rida, can't get higher, all I gotta do now is calm that  
fire  
Love makin', shit that I'm takin', can't get enough of it  
Lo Rida, can't get higher, all I gotta do now is calm that  
fire  
Love makin', shit that I'm takin', can't get enough of it
