Ha, Ha, ahhh, Ha, Ha, ahhh
The real me is a southern girl with her Levis on and an
open heart
Wish I could save the world, like I was super girl
The real me is to laugh all night lying in the grass just
talking about love
But lately I've been jaded life got so complicated

I start thinking about it,
I almost forgot what it was like,
to know what it feels like,
With you
I can let my hair down
I can say anything crazy
I know you'll catch me right before I hit the ground
With nothing but a T-shirt on
I never felt so beautiful
Baby as I do now
Now that I'm with you
With you (x3)
Ha, Ha, ahh
Now that I'm with you

You speak and it's like a song
And just like that all my walls come down
It's like a private joke just meant for us to know
I relate to you naturally
Everybody else just fades away
Sometimes it's hard to breathe
Just knowing you found me

Cause I start thinking about it,
I almost forgot what it was like to know what love feels
like,
Cause with you
I can let my hair down
I can say anything crazy
I know you'll catch me right before I hit the ground
With nothing but a T-shirt on
I never felt so beautiful
Baby as I do now

Now that I'm with you
With you (x3)
Ha, Ha, ahhh

Come and take me
Love you save me
Like nobody else
Now I can be myself

With you,
I can let my hair down
I can say anything crazy
I know you'll catch me right before I hit the ground
With nothing but a T-shirt on
I never felt so beautiful
Baby as I do now (Baby as I do now)
Now that I'm with you

now that I'm with you
I can let my hair down
I can say anything crazy
I know you'll catch me right before I hit the ground
With nothing but a T-shirt on
I never felt so beautiful
Baby as I do now
Now that I'm with you
