Yeah, it's like 2:30 in the morning, just left the club
About to go to the after-hour, after-hour spot, ya gotta dig
That, over there, over there, ya know how we do it
Get my lo rida, hit some switches, yeah, yeah

Any highway from here to, you, ya know what I mean?
We gonna ride, Eamon, let's ride, Eamon, yeah
Ya know what I'm sayin'? Let's ride, lo rida, come on

Feelin' high, gotta ride it, I take routes to ease my life
And there's no doubt I test my life, still I, I step back
Step back, and let the feelin' take control, may be hard
May be soft, and what ya had might be lost, but I got to
Got to not care what I'm goin' through

The lovin', and the huggin'
The way I just can't stop buggin'
The feedin' and the schemin'
The way I get when I'm weaken

Lo rida, can't get higha, all I gotta do now is calm that
fire
Love makin', shit that I'm takin', can't get enough
Of it, lo rida, can't get higher, all I gotta do now is calm
that fire
Love makin, shit that I'm takin, can't get enough of it

Yo, it's been sent to find my cost, and you might think
it's my loss
But I'm rollin', rollin', to the illest place I know
Eyes are wide, inside's hot and, nasty thoughts just
won't stop
And I'm lovin', lovin', everything that ya do to me

The lovin', and the huggin'
The way I just can't stop buggin'
The feedin' and the schemin'
The way I get when I'm weaken

Lo rida, can't get higha, all I gotta do now is calm that
fire

Love makin', shit that I'm takin', can't get enough
Of it, lo rida, can't get higher, all I gotta do now is calm
that fire
Love makin, shit that I'm takin, can't get enough of it

Yo, it's been sent to find my cost, and you might think
it's my loss
But I'm rollin', rollin', to the illest place I know
Eyes are wide, inside's hot and, nasty thoughts just
won't stop
And I'm lovin', lovin', everything that ya do to me

Ya see I never had a chick like this, we'd argue, she'd
break out
Come back like this, she said she never had a pimp
Like this, and never seen a camouflage make like this
Suckin' that lo rida, we on that Cali side, I'm the insider

We buffin', takin' the valley ride, I'm a provider
And stay high up from tiger shots, we played wrestle
before
Nelsons and body shots, oh, excited like we're
Until we're 'Gatti bots', look at her booty, man

Got me on body watch, she got a leather
Trench on now, with nothin' under it
Just like when she on top and I'm under it
So I run with it, gotta have fun a bit
Ain't nothin' like a hoe side, lo ride, new kicks, new
whip
Sit safe 0-5, nice eyes, thick thighs, boy, she make my
skin rise
