

Ear Bleeding Disorder "Excreting Innards"

Gnawing the stools, I masticate with fervor,
Enthusiastically I ingest the
Discharge of your gaping anus, Anal disgorgement of
steaming bits of meat..
Each smelly mouthful I devour, Your rectum is now
going sour... I divulge
The latent feast of your colon, As my drill gouges an
avenue of
Ano-obliteration... Steaming fecal morsels expelled,
Chunks of watery
Bloodied stool, Your salivating sphincter is throbbing,
As I begin to
Heartily drool... Shredded chunks of your buttocks,
Your gaping anus is
Ground and mulched, As you are made to excrete your
innards, Your pulsating
Sphincter emits a septic belch... Sanguineous anal
discharge... Loosened
Bowel segments, Your colon hemorrhaging in fecal
fistula, This disemboweling
Enema, Turns your anus inside-out..
