Woke up this morning, feeling fine

Cause there was something

Special on my mind

Last night I met a new boy

In the neighborhood, whoa, yeah

Something tells me

I'm into something good

(Something tells me

I'm into something good)

He's kind of quiet and not too shy

And I can tell he's my kind of guy

He danced every slow dance with me

Like I hoped he would

(He danced with me

Like I hoped he would)

Something tells me

I'm into something good

(Something tells me

I'm into something good)

We only talked for a minute or two

Then I felt like I knew him

My whole life through
I don't know if he's a boy in love
(But he's everything I been dreaming of)
He's everything that I been dreaming of
He walked me home and he held my hand
I knew it wouldn't be
Just a one night stand
Cause he asked to see me next week
And I told him he could, oh, yeah
(He asked to see me
And I told him he could)
Something tells me
I'm into something good
(Something tells me
I'm into something good)
(Something tells me
I'm into something good)
He walked me home and he held my hand
I knew it wouldn't be
Just a one night stand
Cause he asked to see me next week
And I told him he could, oh, yeah
(He asked to see me
And I told him he could)
Something tells me

I'm into something good

(Something tells me

I'm into something good)

Something good

Oh, yeah, something good

(Something tells me

I'm into something good)

Something tells me

I'm into something good

(Something tells me

I'm into something good)

Something good

Something good

Something good...
