From the great Atlantic ocean to the wide Pacific shore  
Green old flowing mountains to the southbell by the  
shore  
Mighty tall and handsome and known quite well by all  
She's a combination on the Wabash Cannonball

Now she came down from Birmingham one cold  
December day  
As she pulled into the station you could hear all the  
people say  
There's a gal from Tennessee, she's long and she's tall  
She came down from Birmingham on the Wabash  
Cannonball

Our eastern states are dandy, so the people always say  
From New York to St Louis and Chicago by the way  
From the hills of Minnesota, where the rippling waters  
fall  
No changes can be taken on the Wabash Cannonball

Now listen to the jingle, the rumble and the roar  
Glides along the woodland, through the hills and by the  
shore  
Hear the mighty rush of the engine, hear the lonesome  
hoboes call  
Travelin' through the jungle on the Wabash Cannonball
