I have held you girl
But you ain't never made me feel so good before
Love you some more

And I have kissed you girl
But your lips ain't never tasted quite so sweet and
warm
Sweet and warm

And I have loved you girl
But I ain't never really loved you from the heart
But tonight I'm gonna start

Oh, with every touch you're painting pretty pictures with
your hands
Creating precious feelings that my body understands
I can almost hear the music playing somewhere soft
and low
I have loved you girl, but not like this before

Oh, with every touch you're painting pretty pictures with
your hands
Creating precious feelings that my body understands
I can almost hear the music playing somewhere soft
and low
I have loved you girl, but not like this before
Yeah, I have loved you girl, but not like this before
