Yeah I lost my way
And tried to find
Somewhere else to stay
Well I looked all around
And finally found
You had
Nothing
Left to
Say

All your secrets were told
Coming out now
They're bought and sold
I hope it's not too late
But we found it hard
To stand up straight
Tell the truth today
Tell the truth today
Tell the truth today
I tried to tell
The Truth

Well I know
I'm outta reach
And all these songs
They're outta key
But I guess you just
Don't know
You don't know shit
About me.
