I will watch over you
From above
Watch for signs of your love
Of your love
And heaven's not the same
In the rain
It's just a sad ol' day like today
Like today

But I'm already in your heart
I'm already in your heart
And I knew right from the start
That I'm already in your heart

Well it's getting late
Wish you'd stay
But you're on the phone miles away
Miles away
And though I know it's not the same
We could fall asleep
Dream of ways
Dream of ways

'Cuz you're already in my heart
I said you're already in my heart
And I knew right from the start
That you're already in my heart
