What I'd Say
Earl Thomas Conley

Talkin to the mirror
Whisperin your name
Just like you were here, you'd think i was insane
I hold these conversations in the silence of my room
Rehearsing all the things I'd say should i run into you

Hows it going might be what I'd say
You broke my heart you know
Or it looks like rain today
Or maybe god i missed you since you went away
Your lookin well
Or go to hell might be what I'd say

There's times i feel so angry I'd put my fist right
through the wall
Then there's times ive come so close to giving you a
call
I love you and i hate you all at the same time
I pray that you'll come back to me before i lose my
mind
Hows it going might be what I'd say
You broke my heart you know
Or it looks like rain today
Or maybe god i missed you since you went away
Your lookin well
Or go to hell might be what I'd say

Guess you'll have to wait until that day
To find out what i'd say

God i missed you since you went away
Your looking well
Or go to hell
Might be what I'd say
