Love and happiness
Something that can make you do wrong
And make you do right
Hey, hey, love

Love and happiness
Something going wrong
Someone's on the phone
At three o'clock in the mornin', yeah

Talkin' about, she can make it right, yeah
Happiness is when you really feel good with somebody
Nothin' wrong with bein in love with someone, yeah
Oh yeah, oh babe, love and happiness
Heyyy, love and happiness
(Love and happiness)
Woah oh

Love can make you do right, right
Love can make you do wrong
Got me sayin', love and happiness
(Love and happiness)
Yeah, love and happiness
(Love and happiness)
Be good to me
I'll be good to you
We will be together, yeah
See each other, walk away with victory, yeah, hey
Aww babe, love and happiness, hey
Love and happiness, woah

Hey, hey, hey, yeah
Love can make you do right, yeah
Love will make you do wrong, yeah
Make it come a runnin'
Make you stay out all night long
Ohh, love, alright
How I love

(Love and happiness)
(Love and happiness)
How I love

(Love and happiness)
(Love and happiness)
How I love
(Love and happiness)
Yeah
(Love and happiness)
How I love
(Love and happiness)
Baby
(Love and happiness)
Baby
(Love and happiness)
(Love and happiness)
Love can make you do right
Love will make you do wrong
Love and happiness
(Love and happiness)
Love and happiness
(Love and happiness)

Ohh, hey hey hey
You can do right, yeah
Love will make you do wrong, yeah
Make you come home early
Make you stay out all night long
(Love and happiness)
Love
(Love and happiness)
How I love
(Love and happiness)

(Love and happiness)
How I love
(Love and happiness)
