Hopelessly, silently,
I want you to set me free,
Wash me, make me clean

Take my hand,
you feel so cold
I can't hold you
Like the day, the way I hit bottom

Little bit, a little bit, a little, a little bit
(little...)
A little bit closer
Little bit, a little bit, a little, a little bit
(little...)
A little bit closer

No I can't explain
(Little bit, a little bit closer...)
Why I feel so strange
(Little bit, a little bit closer...)

Selfishly, carelessly,
You thought you could rescue me
And now you make me bleed

Take my hand,
you feel so cold
I can't touch you
like the day, the way I hit bottom

Little bit, a little bit, a little, a little bit
(little...)
A little bit closer
Little bit, a little bit, a little, a little bit
(little...)
A little bit closer

No I can't explain
(Little bit, a little bit closer...)
Why I feel so strange
(Little bit, a little bit closer...)

I can feel when you're near
I can feel when you are
closer than I'd like to be yet
Still far enough away
When all this ends,
And it clears, and we fear
When we look and its gone....

Little bit, a little bit, a little, a little bit
(little...)
A little bit closer
Little bit, a little bit, a little, a little bit
(little...)
A little bit closer

No I can't explain
(Little bit, a little bit closer...)
Why I feel so strange
(Little bit, a little bit closer...)

I can feel it in the air...
