Stuck inside  
A world inside my head  
A place where I think too much  
A place no one can touch  
My godforsaken fear  
And though I don't pray enough, I want to

I want to thank you for the tears I've cried  
And hope you gave to me  
I want to show you what I've kept inside  
That takes control of me

Thought sometimes  
I was left behind  
Alone here all by myself  
Forced to look at myself  
I never will believe  
Things they say to me

I want to thank you for the tears I've cried  
And hope you gave to me  
I want to show you what I've kept inside  
That takes control of me

Control of me  
Control of me  
Control of me  
Control of me

Line up the bottles to complete this grief I've held on to  
for so long  
An angry soul I reap unto the people that have ever  
tried to do me wrong

I want to thank you for the tears I've cried  
And hope you gave to me  
I want to show you what I've kept inside  
That takes control of me

Control of me  
Control of me  
Control of me
