The day you came into my life  
You talked about man and wife  
The words I hear will never disappear  
You, you make it shining bright  
Even when the day turns into night

I heard your thoughts one by one  
And now we watch the morning sun  
The words I hear will never disappear  
You, you make it shining bright  
Even when the day turns into night

It's all like a dream  
Oh my love  
I couldn't sleep  
I love to be again in your fair company  
A never-ending dream  
Oh my love  
You chabged the nightmare in the night

Into a garden of delight  
Of one thing I'm sure  
It's you I am living for

I heard your thoughts one by one  
And now we watch the morning sun  
The words I hear will never disappear  
You, you make it shining bright  
Even when the day turns into night

It's all like a dream  
Oh my love  
I couldn't sleep  
I love to be again in your fair company  
A never-ending dream  
Oh my love  
You chabged the nightmare in the night  
Into a garden of delight  
Of one thing I'm sure  
It's you I am living for
