Baby, I want you  
Baby, I hold you  
Never let you go  
I'm sure that you will know

Baby, I tease you  
Baby, I please you  
Never let you go  
You're the first one to know

We will spend night together  
We never wonder whether we will love each other

Ruby is the one  
Ruby (Ruby, Ruby) is the one  
Ruby never knows that Ruby (Ruby, Ruby) was the one

Ruby, I feel you  
Ruby, I love you  
Hold you in my arms so you can enjoy all my charms

Ruby is the one  
Ruby (Ruby, Ruby) is the one  
Ruby never knows that Ruby (Ruby, Ruby) was the one

Ruby is the one  
Ruby (Ruby, Ruby) is the one  
Ruby never knows that Ruby (Ruby, Ruby) was the one
