Visit "[Behind The Wire](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Imprisoned behind the wire  
The doomed await their end  
Tangled corpses fill the pits  
Starved, shot or poisoned

To the horrors the world turns away  
From the suffering in apathy  
A blind eye to the victim's pain  
That they choose not to see

Unless there's money to be made  
Unless territory is gained

Imprisoned behind the wire  
The doomed await

Imprisoned behind the wire  
The doomed await their end  
Tangled corpses fill the pits  
Starved, shot or poisoned

To the horrors the world turns away  
From the suffering in apathy  
A blind eye to the victim's pain  
That they choose not to see

Unless there's money to be made  
Unless territory is gained

Annihilation reigns  
Annihilation reigns

Unless there's money to be made  
Unless territory is gained  
Unless there's money to be made  
Unless territory is gained
