Strength. Born from pain. Beyond that of my flesh.  
Betrayed, robbed and beaten, but not defeated.  
Through my  
search for allies, I have found myself.  
Persistence is the answer to regain all that was taken.  
Hatred drives me onwards  
across to desolation of dying dreams and failure,  
to find I am my own salvation. From the experience of  
injustice, from the  
horror that I have witnessed comes the knowledge that  
freedom must be won.  
Strangled by frustration, no longer will I be my  
victim. My patience is whaning, now all it takes is one  
spark to set me off. I have to try to find some peace  
and hold that  
peace inside before it gets to late. Emancipate my  
mind.  
Breathing life into my visions, forcing them into reality.  
From paradise into the inferno, into paradise, into  
paradise.

Situation Degenerates- The situation degenerates.  
Again alcohol hits  
the bloodstream. Overwhelmed by the desire to feed  
the desire.  
Inebriation numbs the brain. Nothing changes, nothing  
improves. Empty bottles and empty days.  
The captive is pulled deeper into an aimless maze.  
Wasted time passes as the walls of  
the vice close in. Dying internal organs no longer  
function.  
Judgement impaired, direction lost. Trapped in a  
repeating  
process. Wasted time passes as the walls of the vice  
close in.  
Dying internal organs no longer function. Judgement  
impaired,  
direction lost. Trapped in a repeating process.  
The painkiller takes a life.  
The painkiller takes a life.  
The painkiller takes a life.  
The painkiller takes a life.
