### VERSE

The drug related homicide of a nation  
As society is plagued by mass addiction  
The numbers culled eliminates competition  
Pulling others in as the caskets lower down

### CHORUS

Caustic chemicals open early graves  
Caustic chemicals open early graves

### VERSE

The drug related homicide of a nation  
As society is plagued by mass addiction  
The numbers culled eliminates competition  
Pulling others in as the caskets lower down

### CHORUS

Caustic chemicals open early graves

Caustic chemicals open early graves

### BRIDGE

Toxins used to numb, to tranquilize  
Those afflicted left institutionalized

### VERSE

Drug related homicide of a nation  
As society is plagued by mass addiction  
The numbers culled eliminates competition  
Pulling others in as the caskets lower down
