Street by street. Block by block. Taking it all back.
The youth immersed in poison - turn the tide
counterattack.
Violence against violence, let the roundups begin.
A firestorm to purify the bane that society drowns in.
No mercy, no
exceptions, a declaration of total war.
The innocent's defense is the reason it's waged for.
Born addicted, beaten and
neglected. Families torn apart, destroyed and
abandoned.
Children sell their bodies, from their high they fall to
drown.
Demons crazed by greed cut bystanders down.

A chemically tainted welfare generation.
Absolute complete moral degeneration.
Born addicted, beaten and neglected. Families torn
apart,
destroyed and abandoned. Children sell their bodies,
from their high
they fall to drown. Demons crazed by greed. Cut
bystanders down.
Corrupt politicians, corrupt enforcement, drug lords
and
dealers, all must fall. The helpless are crying out.
We have risen to their call. A firestorm to purify.
