

Earth Crisis "Situation Degenerates"

Visit "[Situation Degenerates](#)" on MotoLyrics.com

The situation degenerates
Again alcohol hits the bloodstream
Overwhelmed by the desire to feed the desire
Inebriation numbs the brain

Nothing changes, nothing improves
Empty bottles and empty days
The captive is pulled
Deeper into an aimless maze

Wasted time passes
As the walls of the vice close in
Dying internal organs no longer function
Judgment impaired, direction lost
Trapped in a repeating process

Wasted time passes
As the walls of the vice close in
Dying internal organs no longer function
Judgment impaired, direction lost
Trapped in a repeating process

The painkiller takes a life
The painkiller takes a life
The painkiller takes a life
The painkiller takes a life
