Legal channels have been exhausted
Uncruel alternatives rejected
Awareness created and ignored
Direct action is the last recourse

Ultramilitance
Ultramilitance

Salvation of innocents
Intensified resistance

Flooded by sabotage, disabled
Whaling ships sink beneath the waves
Strikes against roving murderers
Through destruction, innocents

Persist a rain forest seen as nothing more
Than an area on a map
To be stripped of resources
For corporate profit

The indigenous cultures
And animals are displaced
Or destroyed, unless bulldozers
Are disabled to prevent access

Ultramilitance
Ultramilitance

Salvation of innocents
Intensified resistance

Forth from cages into the darkness
Mink liberated by masked
Rescuers laws designed to protect oppressors
Correctly regarded as worthless

Now, this war has two sides
Now, this war has two sides
Now, this war has two sides
Now, this war has two sides

Ultramilitance
Ultramilitance

Salvation of innocents
Intensified resistance
