They betrayed us all  
Lambs that weep for the release  
Of murderous wolves  
Lunatics extort from us  
To placate parasites  
Loyal to nothing  
Just as they  
Were programmed to be  
Mindlessness lost to excess in their vanity  
The heel is bearing down on our throats  
This is when slaves are  
Forced to revolt  
A lethal threat  
Has been imposed  
Now must defend  
Fight back  
With steel in my hand  
History distorted every triumph defeated  
The flaws magnified until  
The ideal is left weakened  
The heel is bearing down on our throats  
This is when slaves are  
Forced to revolt  
A lethal threat  
Has been imposed  
Now must defend  
Fight back  
With steel in my hand  
Trapped in the ruins of  
A failed experiment  
Discard their illusions  
Break out of the ruins of  
A failed experiment  
Discard their illusions  
The heel is bearing down on our throats  
This is when slaves are  
Forced to revolt  
A lethal threat  
Has been imposed  
Now must defend  
Fight back

With steel in my hand
