Seeing

Seeing is believing

It's the greatest feeling

Knowing in your heart

Just trust yourself

Look ahead

Feel the motion growing

Love is where it's going

This is where our real journey starts

Down through the years

Throughout the stars

Ancient the dream

Future evolves

Shining light

Now in sight

Evolution Orange

Wondrous flight

Now in sight

Evolution Orange

Patience

The healer and the giver

Patience will deliver

Fire from the spark

Just trust yourself

Reach inside

Have no hesitation

Give no explanation

You know who you are

Down through the years

Throughout the stars

Ancient the dream

Future evolves

Shining light

Now in sight

Evolution Orange

Wondrous flight
Now in sight
Evolution Orange
