Every man has a place
in his heart there's a space
And the world can't erase his fantasies
Take a ride in the sky
on our ship fantasii
All your dreams will come true
right away

And we will live together
until the twelfth of never
Our voices will ring forever as one

Every thought is a dream
rushing by in a stream
Bringing life to our kingdom of doing
Take a ride in the sky
on our ship fantasii
All your dreams will come true
miles away

Our voices will ring together
until the twelfth of never
We all will live forever as one

Come and see victory
in the land called fantasy
Loving life, a new decree
Bring your mind to everlasting liberty

Our minds will explore together

old worlds we conquer forever
We then will expand love together as one

Come and see victory
in a land called fantasy
Loving life for you and me
to behold, to your soul is ecstasy

You will find (you will find)
other kind (other kind)
that has been in search for you

Many lives have brought you to
Recognize it's your life, now in review
Ooh ooh ooh ooh ooh

And as you stay for the play
fantasy has in store for you
A glowing light will see you through
Its your day, shining day
all your dreams come true

As you glide in your stride
with the wind as you fly away
Give a smile from your lips and say
"I am free, yes I'm free, now I'm on my way"
