Getaway

Just leave today

Just getaway

So you say you tried but you just can't find the pleasure

People around you givin' you pressure

Try to resist all the hurt that's all around you

If you taste it, it will haunt you

So come, take me by the hand

We'll leave this troubled land

I know we can, I know we can

I know we can, I know we can

Getaway

Just leave today

Just getaway

Watch for the signs that lead in the right direction

Not to heed them is a bad reflection

They'll show you the way into what you have been  
seeking

To ignore them you're only cheating

So come, take me by the hand

We'll leave this troubled land

I know we can getaway

Getaway

Lay awake every night till the sun comes up in the  
morning

Nothing exciting, it all seems boring

Make up your mind which way to go about it

To your road, you just don't doubt it

So come, take me by the hand

We'll leave this troubled land

I know we can, I know we can

I know we can, I know we can

Getaway

Just leave today

Just getaway  
Just leave today  
Just getaway

Just getaway  
Just leave today  
Just getaway

Getaway, leave today  
Getaway, yeah yeah yeah, yeah  
Getaway, leave today  
Yeah yeah yeah  
Yeah yeah yeah, yeah
